

## Introduced by Senator Margett

February 24, 2006

---

An act to amend Section 4581 of the Public Resources Code, relating to forest resources.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1793, as introduced, Margett. Forest resources: timber operations.

Existing law prohibits a person from conducting timber operations unless a timber harvesting plan for the timber operations, prepared by a registered professional forester, has been submitted to the Department of Forestry and Fire Protection, as specified.

This bill would make technical, nonsubstantive changes to that prohibition.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
